Candidate's Night

A debate between candidates for County Commissioner. Please come!

October 7th, 6:00-8:00 pm at the Chiloquin Community Center

The Sprague/Williamson Writer-in-Residence Program for Fall 2010

Please help give a warm welcome to poet, Laura Gamache on Tuesday, September 21, 7:00 p.m. at the Chiloquin Library. Refreshments served.

Laura returns this fall to our community to work with Chiloquin Jr/Sr High School students and offers writing workshops for the public. Laura will read poetry selections and talk about Chiloquin Jr/Sr High participation in the Summer Fishtrap writing retreat at Wallowa Lake, Eastern Oregon this year.

About Laura Gamache: Seattle poet and educator, Laura Gamache, has taught creative writing to folks, from kindergarteners to elders. Her work has appeared in journals, anthologies, online, on buses, on tee shirts, on bookmarks, on the radio, and through her own Runcible Press. Her chapbook, *nothing to hold onto*, was published by Finishing Line Press in 2005. Laura is hoping to find a home for her book length poetry manuscript *Formidable Now*.

Workshop Schedule: Chiloquin Library 7:00pm Tuesdays: Tell your friends!

September 28 th	October 26th
October 5 th	November 2th
October 12 th	November 9th
October 19th	

Workshops are free to the public. To register, call Leslie Russell 541-783-3923

FREMONT-WINEMA NATIONAL FORESTS CLOSE TWO LAKE OF THE WOODS CAMPGROUNDS FOR THE SEASON

Contact:
Erica Hupp 541-883-6715
Lisa Swinney 541-947-6261

Klamath Falls, Ore. - Thousand Trails have finished their seasonal duties as campground host concessionaires for the Lake of the Woods and Fourmile Lake campgrounds. Due to limited resources, the Fremont-Winema National Forests have made the following changes:

- Lake of the Woods' Sunset and Rainbow campgrounds are completely closed.
- Lake of the Woods' Aspen campsites between numbers 30-59 (located on the loop closest to the lake) are open. Aspen's Day Use and Boat Launch are also open. Visitors can find open restrooms at the Boat Launch and near the resort.
- Aspen's Day Use restroom and Group Site are closed.
- Fourmile Lake campsites are open for public use.

The Forest would like to remind visitors that they are responsible for picking up their garbage at Lake of the Woods and Fourmile Lake campgrounds.

For additional information and campsite updates, please contact the Fremont-Winema National Forests offices or visit the Forest Web site for the latest information on recreational facilities.

Local Birds

Article and photographs by Wes Stone

Northern Flicker (*Colaptes auratus*)

Status: This large woodpecker is fairly common in a variety of rural and residential habitats around Chiloquin. Flickers prefer areas with some large trees/snags, but will use a variety of cavities and structures for nesting. Flickers feed primarily on ants when available, and also eat a variety of fruits and seeds. Flickers will visit seed and suet feeders and birdbaths. They have also been known to drill holes in wood siding on houses! Flickers are present here year-round, with some resident birds and others that move through.

Male "red-shafted" Northern Flicker at a feeder.

Male "red-shafted" Northern Flicker feeding on the ground. Note the ant on top of its bill.

Flickers are large, brownish woodpeckers with black bars on the back and wings, a black "bib" on the upper breast, black spots on the belly and flanks, and a white rump. The undersides of the wings and tail are brightly colored (orange/red or yellow). The "red-shafted" variety is by far the most common in our area, but very occasionally a "yellow-shafted" bird will show up. Yellow-shafted birds are normally found farther to the east in North America. "Intergrades" with a mix of characteristics are also noted. The male red-shafted flicker has a red "mustache", while the male yellow-shafted flicker has a black mustache. Yellow-shafted flickers of both sexes have a red crescent on the back of their necks, and most intergrades show at least a trace of this.

Beading Class with Diane Eldridge

I am holding a bead class at Two Rivers Gallery on the 9th of October from 1-3 pm. The class will be tubular peyote and the students will be learning how to make a needle case. There are three patterns from which to choose. The gallery has Delica beads, thread and needles available for purchase and I will provide the needle case for \$1.50, which is my cost. Class size is limited to a maximum of 5. Deadline to sign up will be the Wednesday before the class, October 6.

In a nutshell:

Class date: Saturday, October 9 from 1-3

Project: Tubular peyote to make a short needle case.

Costs: \$20 per student to be paid by 10/6/10.
\$1.50 for bead case to be paid to instructor on class date
Delica beads for the pattern you choose (pattern choices are on display at the gallery)
Beading thread & needle

This is a great class to learn the peyote stitch. The tubular peyote is the basis for making not only a needle case but amulet bags and other projects. The needle case will give you a place to store your beading needles when you're done. The project cannot be finished in two hours. You will need to finish it at home. Written instructions will be given to you at the time of the class. Additional classes can be scheduled.

All about the Chiloquin Food Pantry

How to get Food Items

If you need commodities and think that you might be eligible to receive foods at the Food Pantry, please drop by on Wednesday 22nd September between 10 am and 1pm to sign up. We are here to help those in our community who are struggling financially and although our supplies are limited, we want to help those who need help.

How to Donate Food Items or Money

If you wish to donate foods to the Pantry we are happy to accept them. Food Barrels are at The Table and other places in town and there are a number of labeled jars in the stores in town, for you to make a monetary donation.

How to Donate Produce

If you have an over-abundance of produce in your garden, we would like you to drop them by the Food Pantry, opposite Kirchers early on Monday afternoon or between 9.60 am and 10 am on Wednesday this week. All items are very gratefully received and distributed.

How to Drop off Items for the Yard Sale and Buy at the Yard Sale

We will be having a Yard Sale on Tuesday October 5, Friday October 8 and Saturday October 9. You may bring items to the Food Pantry when we are open, or on Monday October 4 when we will be setting up in the afternoon.

How to Volunteer at the Food Bank

Volunteers are always needed for the 4th Wednesday in the month between 9.30 am and 1 pm - this coming Wednesday, and on Monday, September 20 at around 1.30pm to unload the trailer and stack supplies onto shelves. Please join us to be part of this active group of helpers we depend on for the success of the Food Pantry.

Two Rivers Gallery Artist of the Month

I've been interested in photography since my early teenage years growing up in Rochester, New York. With a Kodak Pony camera and a rudimentary dark room in the basement I explored the intricacies of what has become a life long interest. Retiring to the Klamath Basin 12 years ago reignited my interest because of the abundant local wildlife, picturesque scenery and colorful cultural events.

My current interest is digital photography and processing images on a computer. Travel opportunities have expanded my photographic interests to exotic locales, peoples and animals.

In my exhibit at Two Rivers Gallery in Chiloquin, Oregon, I will have recent work which includes photographs from Costa Rica, Hawaii and Alaska as well as images from the Klamath Basin.

FREMONT-WINEMA NATIONAL FORESTS AND BLM'S LAKEVIEW DISTRICT BEGIN PRESCRIBED BURNING

SCOFMP Fire Information Officers:

Erica Hupp 541-883-6715

Lisa Swinney 541-947-6261

Scott Stoffel 541-947-6237

Lakeview, Ore. – Fire Managers on the Fremont-Winema National Forests and Bureau of Land Management's (BLM) Lakeview District are taking advantage of the cooler weather to start several prescribed burn projects near Bly, Bonanza, Chemult, Chiloquin, Klamath Falls, Lakeview, Lakewoods, Plush, Rocky Point and Silver Lake. This is an ongoing effort to reduce the potential of catastrophic wildfires and improve forest health.

"The U.S. Forest Service and BLM have some prescribed burns that are located in higher elevations and in the past couple of years have been out of prescription by October due to weather," said Barry Shullanberger, Interagency Fuels Specialist for the Fremont-Winema National Forests and BLM's Lakeview District. "We are taking advantage of the cooler weather to treat these higher elevation projects that will provide many benefits towards promoting forest health and protecting our resources."

Prescribe burns are a proactive tool used to achieve a number of objectives including the reduction of hazardous fuels (overgrown vegetation). Prescribed burns can help reduce the threat of wildfire, reduce the risk of insect and disease outbreak, recycle nutrients that increase soil productivity and improve wildlife habitat.

The actual days of ignition for these burn projects will depend on several factors including appropriate humidity levels, wind speed and direction, temperature and fuel moisture. Burns will only occur on days when the Oregon Department of Forestry (ODF) Smoke Management Office indicates suitable weather conditions for smoke dispersal. "Fire managers will conduct burns only if all conditions allow for safe and successful burning operations," said Shullanberger.

The Fremont-Winema National Forests and BLM's Lakeview District work in partnership with the U.S. Fish and Wildlife Service, National Park Service, ODF and adjacent landowners to reduce fire hazards on public lands.

Possible burn locations include the following:

FREMONT-WINEMA NATIONAL FORESTS

- **Bly Ranger District** Approximately 2,000 acres of prescribed burning is planned for the Mortar/Coyote project area, located 10 miles east of Bonanza in the Goodlow Mountain area. Fire managers may also try to burn an additional 3,000 acres at the Bly Ridge Wildland Urban Interface project area, which is a half mile west of the Pinecrest subdivision located northwest of Bly. For additional information, please contact the Bly Ranger District at 541-353-2427.
- **Chemult Ranger District** Approximately 700 acres of prescribed burning is planned for the Raptor project area located about 20 miles southwest of Chemult along the eastern boundary of Crater Lake National Park. For additional information, please contact the Chemult Ranger District at 541-365-7001.
- **Chiloquin Ranger District** Approximately 600 acres of prescribed burning is planned for the Dollar project area located in the Silver Dollar Flat area about 10 miles east of Yamsi Ranch and Head of the River Campground. Fire managers may also try to burn an estimated 150 acres at the

Airstrip project area located southwest of the Silver Dollar Flat area and 1,000 acres at the Yosshouse project area located north of the Williamson River Highway. For additional information, please contact the Chiloquin Ranger District at 541-783-4001.

- **Klamath Ranger District** Approximately 93 acres of prescribed burning is planned for the Lakewoods project area, located near the Lakewoods community at the intersection of Dead Indian Memorial Highway and Clover Creek Road. Fire Managers also hope to complete an additional 400 acres of prescribed burning at the Tomahawk project area located near the Mountain Lakes Subdivision. For additional information, contact the Klamath Ranger District at (541) 883-6714.
- **Lakeview Ranger District** Approximately 4,000 acres of prescribed burning is planned for the Upper Thomas Creek project area located about 11 miles northwest of Lakeview and two miles south of White King Mine, in the Paradise Lake and Cox Flat areas. In addition, an estimated 200 acres of lopped juniper, located 25 miles northeast of Lakeview in the North Warners, is planned to be burned. For additional information, please contact the Lakeview Ranger District at 541-947-3334.
- **Silver Lake Ranger District** Approximately 1,750 acres of prescribed burning is planned for the Brattain Ridge area, just north of Sycan Marsh. This is a cooperative effort with The Nature Conservancy. For additional information, contact the Silver Lake Ranger District at 541-576-2107.

LAKEVIEW DISTRICT BLM

- **Klamath Falls Resource Area** Approximately 2,500 acres of prescribed burning is planned throughout the Klamath Falls Resource Area (KFRA) primarily for juniper slash generated from fuels reduction treatments. This includes the 1,000 acre West Boundary machine-pile burn located one mile east of Gerber Reservoir, the 500 acre Horton Rim machine-pile burn located roughly two miles northeast of the intersection of Highway 140 East and South Poe Valley Road, and 100 acres of hand-pile burning in the Klamath River Canyon. Additional pile burns 15 to 200 acres in size are planned this fall across the Resource Area. For more information, please contact the KFRA at (541) 883-6916.
- **Lakeview Resource Area** Approximately 2,000 acres of prescribed burning is planned for lopped juniper within the Snyder Creek juniper reduction project located about 10 miles northwest of Plush. An additional 1,000 acres of prescribed burning is planned for lopped juniper within the Bridge Creek project area located five miles southwest of Silver Lake and 300 acres within the Colvin Timbers under-story burn project located approximately 20 miles northeast of Lakeview on Abert Rim. For additional information, please contact the Lakeview Resource Area at 541-947-2177.

Please do not call 911 about burning in the areas referred to above. Local law enforcement is aware of these burning activities. For recorded fire information, please call the Klamath Falls Interagency Fire Center at 541-883-6831 or the Lakeview Interagency Fire Center at 541-947-6259.

BUREAU OF LAND MANAGEMENT LV-10-16

Contact: Scott Stoffel (541) 947-6237
For release: September 17, 2010

Volunteers' Efforts Will Benefit Local Senior Citizens, Wildlife and Waterways

Klamath Falls, Ore. - The Bureau of Land Management's (BLM) Klamath Falls Resource Area is seeking volunteers for its 17th annual National Public Lands Day event that will be held on Saturday, September 25.

This event will involve the completion of three projects at the Gerber Potholes Campground. Workers are needed to load and haul firewood, construct and maintain wood duck boxes, and plant willows along Ben

Hall Creek. The firewood will be hauled to Klamath Falls for distribution to local senior citizens in need. Volunteers interested in transporting firewood are encouraged to bring a pickup truck and/or trailer.

Individuals participating in this effort should arrive at the Gerber Potholes Campground at 8:30 a.m. This campground is located on Gerber Reservoir Road approximately one mile past the junction to the Gerber Recreation Area.

Following informational and safety briefings at the project site, workers will perform assigned tasks at various locations. The group will reassemble at noon and be treated to a free lunch. The event will conclude with each participant receiving a complimentary National Public Lands Day t-shirt and a “fee-free” coupon good throughout the next year for admittance to one recreation site managed by the National Park Service, U.S. Forest Service, U.S. Fish and Wildlife Service, BLM or Army Corps of Engineers.

Volunteers should bring the following items for their personal safety and comfort: sweatshirt or medium weight jacket, layered shirts, long pants, sturdy shoes, work gloves and a hat with brim. Optional items include insect repellent, sunscreen, lip balm, sunglasses and bandanna. Drinking water will be provided.

National Public Lands Day began in 1994 with approximately 700 volunteers working in a few states. Last year, nearly 150,000 individuals participated at 1,800 event locations across all 50 states, making this the largest hands-on restoration effort of its kind in the country. Held each September, this event helps to restore our nation’s public lands for enjoyment by current and future generations.

Any time at all that you can donate to us will be very much appreciated. *Contact the Gallery @ 783-3326.*

Sage Community School - Sage Community School is looking for community volunteers interested in assisting Sage Community School. *If you are interested in offering your services as a volunteer in any way, please contact Wendy Kincaid at 783-7743.*

Chiloquin Curios - local art and crafts retail in need of volunteers, from a couple of hours to a full day. Meet people, learn the trade - join a group of fun people! *Call 541-591-6099 for details.*

Klamath Humane Society - volunteers needed at the Humane Society. We are getting started on our disaster program and need volunteers in the Chiloquin area. We also are looking for people who can write grants. Foster homes for dogs and cats are always needed. *For more information, contact the shelter at 882-1119 or e-mail staff@klamathhumanesociety.com.*

Start Making A Reader Today (SMART) - a statewide program working with children K-3 during school hours. Each volunteer works one-on-one with a child for ½ hour, helping them read (or reading to the youngest). We always need volunteers, whether scheduled every week or merely as a substitute reader when the regular reader is unable to attend. Call the above numbers for an application or fill out an on-line application at www.getsmartoregon.org. It will be the most rewarding hour you ever volunteer! *Contact the SMART office at 273-2424 or the Chiloquin Elementary School at 783-2338.*

Neighborhood Watch, Chiloquin District - 783-3798 (Jim Rickman)

Neighborhood Watch - Agency Lake

President - Kathie Longbrake at 783-3013 or Secretary - Liz Matuk at 783-3921.

Chiloquin Branch Library - The library has many ways to get involved and many fun ways to contribute to your local community. Some opportunities:

1. Storytime: If you would like to read two or three stories to a small group or preschoolers, and lead them in a simple craft or activity, the library staff can use your help. Story time is at 1:30 PM on Thursday afternoons during the school year.
2. Summer Reading Program: There are many opportunities during the summer to help out with this very worthwhile program.
3. Honor collections: these are racks of paperback books, magazines and audiovisual materials that patrons may check out without a library card. By offering these collections, more people in the community can be reached and a greater diversity of materials can be made available without

incurring the costs of cataloging and processing items for the general collections. The staff would like to have some help in keeping these racks orderly, attractive and relevant. Check with the librarian for information on how to “adopt a rack”.

4. Help with sorting donations.

5. Go through Books for Sale section and tidy it once a month or so.

Stop in at the library and see what they need or give them a call at 783-3315.

Chiloquin Visions in Progress (CVIP)

CVIP operates the Chiloquin Community Center and the Chiloquin Learns After School program, and is the contact point for the Chiloquin Area Community Resource Committees and their projects. We have a volunteer list in the office where you can sign up to be available for many different “jobs” and projects. *Call 783-7780 between 10 AM and 2 PM weekdays for further information.*
